Professional Summary

Creative UI/UX Designer with a strong background in user-centric design, prototyping, and cross-platform application interfaces, complemented by technical expertise in React, Flutter, and ASP.NET Core. Skilled in wireframing, user research, SaaS platform design, and responsive web/mobile UI development. Adept at bridging the gap between design and development to deliver seamless, intuitive, and engaging user experiences.

Technical Skills

Design Tools & Methods: Figma, Adobe XD, Balsamiq, Wireframing, Prototyping, Usability Testing, Typography, Color Theory

Front-End & Development Skills: HTML, CSS, JavaScript, React, Flutter, Kotlin, REST, Cross-platform app development

Other Tools & Platforms: Git, Visual Studio, Android Studio, Xcode

Work Experience

UI/UX Designer Intern
Full Time Internship | Surat, India
Dec 2024 - Jun 2025

propVIVO India Pvt. Ltd.

Contributed to a modern SaaS platform for Property & HOA Management, leading design initiatives that bridged user needs with business goals. Delivered intuitive, scalable, and accessible designs while collaborating with cross-functional teams to enhance the overall customer experience.

- Designed and validated user flows, dashboards, and onboarding experiences through research, usability testing, and data-driven insights.
- Developed and maintained a scalable design system in Figma, ensuring consistency and seamless developer handoff.
- Collaborated with PMs, developers, and stakeholders in Agile sprints, advocating for user-centric design decisions that improved adoption and engagement.

Software Developer Intern
Part Time Internship | Surat, India
01/2024 - 12/2024

InfoWeb Solution

Worked in a collaborative environment building scalable web and mobile applications, while also contributing to UI/UX design of mobile apps and web screens for better usability and visual consistency.

- Designed and prototyped web and mobile interfaces in Figma, ensuring responsive layouts and smooth user journeys.
- Built cross-platform applications using Flutter, React (Vite), and ASP.NET Core, integrating APIs for performance and scalability.
- Collaborated with the development team to optimize UI and enhance user experience, bridging design and implementation.

Projects

Subscription Management System
06/2024 - 12/2024

Tech Stack: ASP.NET Core Web API | React (Vite) | PostgreSQL

A unified platform to manage and monitor all subscription-based services from a single dashboard.

- Designed and implemented an all-in-one subscription management platform, enabling users to track and manage multiple subscription-based services in a single interface.
- Developed RESTful APIs using ASP.NET Core and integrated with React (Vite) for a dynamic front-end experience.
- Utilized PostgreSQL for efficient data storage, management, and retrieval to ensure scalability and performance.

Society Management Application
06/2024 - 12/2024

Tech Stack: PHP | phpMyAdmin | Kotlin | Android Studio | Retrofit

A comprehensive platform to automate member management, maintenance tracking, and complaint resolution for residential societies.

- Designed and developed the entire application, including UI/UX and backend functionality.
- Implemented real-time notifications and a funds/expenses module to enhance communication and financial oversight.
- Streamlined society operations by automating member, maintenance, and complaint management processes.

Live Score system
06/2024 - 12/2024

Tech Stack: ASP.NET Core Web API | React (Vite) | SQL Server Management Studio | Flutter

A real-time application to track and manage Taekwondo tournaments efficiently.

- Developed a real-time application using .NET, React, and Flutter for tournament tracking.
- Integrated .NET APIs with the Flutter mobile app to provide a seamless and responsive user experience.
- Enhanced real-time tracking, management, and accuracy of tournaments, improving operational efficiency.

Education

M.Sc. in Information and Communication Technology (ICT)
Veer Narmad South Gujarat University

GPA: 7.16/10
Surat, India
06/2023 - 06/2025

Bachelor of Computer Applications (BCA)
Veer Narmad South Gujarat University

GPA: 8.7/10
Bilimora, India
06/2020 - 06/2023
